Life never looked so good.

CARPORTS \ PATIOS \ VERANDAHS \ LOUVRES

## Victory Patios, Verandahs, Carports and Louvres

When you choose a Victory patio, verandah or carport you are choosing the result of two decades of research and development. Uniquely 100% Nexteel™ Quality Australian made steel system that is backed up by a 30 Year Home Owner Warranty when installed by a Victory Authorised Distributor.

This third generation system with subtle updates to improve the lifespan and appearance of your verandah is fully tested to Australian standards. The attention to detail and superior finish of the Victory range will ensure satisfaction with your investment for years to come.

### Why Victory triumphs

- 100% Quality Nexteel™ entirely Australian Made.
- Exclusive 30 Year Home Owner Warranty when installed by a Victory Authorised Dealer.
- Wider choice of beams and now with the 233mm beam.
- Unique chamfered two-piece double rolled box beam for greater strength.
- Three new long spanning ceiling profiles.
- Upgraded brackets for improved appearance and damage free installations.
- Option of recessing purlins for a cleaner finish.
- Third generation steel system.
- Available with exclusive True Oak Superior Corrugated.

1. 100% Quality Nexteel™
2. Cap brackets for all sections
3. Intersecting gables available
4. Down light detail
5. High span double sided roofing
6. 3 standard roof pitches
7. Screw cover flashings
8. No beam stacking required
9. Unique portal connection using button head stainless steel bolts into thread inverts
10. Strip lighting for extra light
11. Twin wall infills

**Stylish appearance to add value to your home.**

### Victory Dutch Gable Patio, Verandah or Carport

Classic style to complement and add value to all types of homes. Perfect for entertaining as an outdoor area or simply as a carport on the side of your home. The Victory Dutch Gable design is a popular choice with both 108mm and 158mm portal beams, which enables opening widths beyond 10 metres.

### Victory Hip Roof Patio, Verandah or Carport

The Hip Gable roof has been designed with flexibility in mind. It can accommodate your choice of roofing materials and design options whether it's polycarbonate sheeting to maximise light or a NextSTAR™ premium pre-painted corrugated roof which will complement your house colours.

### The Victory Gable End

Offering both visual appeal and superior spanning capabilities, the Victory Gable End adds flair and style to your home in a distinctive manner. Wide choice of designs and sizes to suit your requirements. Fluted columns offer attractiveness and strength.

### Victory Flat Roof Verandah

Insist on the genuine Victory superior patio, verandah or carport system and enjoy the great outdoors in your own backyard. Smooth ceiling-like underside of roof with compact beams gives a spacious appearance and makes cleaning easy. A convenient overhang is available if preferred.

### Victory Curved Roof Patio, Verandah or Carport

Curved options are available for flexibility in design and optimum appearance to complement your home. Curved verandahs are available in a choice of finishes.

### Victory Longspan Patio, Verandah or Carport

No need for internal roof purlins. Offering a wide range of options the Longspan is available as a pitched verandah or a carport and the design is customised to suit your home and lifestyle. The design of the Longspan means larger spans are available to accommodate your needs. Available as a single gable or combined with flat roof sections.

### Victory Louvres

Victory Opening Roofs are now available. Designed with durability and quality in mind, there has never been a better time for true indoor-outdoor living. Victory Louvres give you control over your lifestyle, allowing you to select as much or as little sun and weather as you like.

### Victory Insulated Panels

With new Victory Insulated Panels, outdoor living doesn't get much cooler. Revolutionary new technology helps cut out large amounts of the harsh Australian summer heat, leaving you to entertain and cook the BBQ in comfort. Of course, our sleek Victory Insulated Panels also add a touch of class to any backyard.

**Insist on the genuine and superior Victory patio, verandah or carport and enjoy the great outdoors in your own backyard.**

## Roofing Profiles and Pitches

Victory patios, verandahs and carports are available with a wide range of roofing profiles to suit any home - from the exclusive True Oak Superior Corrugated Roofing to the revolutionary new V-Deck roofing profile - which is perfectly suited to Flat, Longspan and Gable style verandahs. Providing a classically smooth ceiling finish in various gloss colours to enhance the appearance of your structure, the V-Deck offers great spanning capabilities up to four metres without the need for unsightly roof purlins.

Victory patios, verandahs and carports are available in three roof pitch options: 17.5, 22.5 or 27.5 degrees.

Plus, the choice of both 108mm and 158mm portal beams enable spans beyond 10 metres.

## Give your project the star treatment

The Victory range is available in premium pre painted steel from NextSTAR™ featuring a high gloss or standard finish to give you a low maintenance, high end structure without the need for painting.

The range of NextSTAR™ roofing colours also allows for a choice of gloss on the underside of the sheeting – a nice finishing touch.

Victory patio, verandah and carport beams are available in classic and new NextSTAR™ colours as well as RevZinc AM125.

While you're there, consider the addition of PolyPiu or fibreglass roof sheeting to not only let in light and warmth but to enhance the vibe of your patio or verandah.

## Victory Accessories

The Victory patio, verandah and carport systems offer a wider choice of beams than any other. The unique 233mm beam exclusive to Revolution Roofing ensures that there's no piggy backing of beams, making it even stronger and more corrosion resistant.

With the new 233mm beam only one beam is required, resulting in less labour time and providing a more streamlined and pleasing appearance.

Victory is a complete system including all framing, sheeting and rainwater items - that are practical, durable and attractive in a variety of Nexteel™ colours which can be combined to suit individual requirements.

With the option of recessed purlins, improved bracket designs to streamline the appearance of beams and a revolutionary portal fixing method using painted stainless steel bolts, the Victory patio, verandah and carport systems win in every way.

Extra features available include downlight and fan options to enhance your entertainment area.

## Victory - Fully Certified

The Victory patio, verandah and carport systems have been engineered to relevant Australian standards (AS4600) and fully tested and certified by independent structural engineers to adhere to all building codes in Australia, ensuring your project goes smoothly through the council approval process.

## Long Life Warranties

Only Victory offers an exclusive 30 Year Home Owner Warranty when installed by a Victory Authorised Distributor.
