THIS UNIQUE PROFILE, NAMED AFTER RENOWNED ARCHITECT MAX PRITCHARD, OFFERS YOU A STYLISH AND COST EFFICIENT SOLUTION FOR YOUR BUILDING PROJECTS.

Now partnering with pre-painted steel market leader, NextSTAR™ this concealed fix cladding profile is perfect for roofing and walling. It's fully trafficable which means there is no need for a substrate (translation: less material cost, less labour cost).

What you get by partnering with Maxline and NextSTAR™, is the ability to add style and space with colour and finish options you've never seen before.

- Features & Benefits:
- Concealed fix flat profile
 - Self-spanning up to 1500mm
 - Perfect for both walling and roofing
 - Mansard application is available (transitioning from wall cladding to roofing in a single sheet)
 - Genuine 325mm wide pan profile
 - Strong narrow 'needle' 53 rib line
 - Innovative Angle Cut technology for clean lines and a superior finish on all rakes and hips
 - The strongest flat pan concealed fixed profile in Australia which requires no plywood, no button punching and no mechanical seaming.

COLOURS & FINISHES

Whatever the project, once you have selected your profile, it's time to move onto colours and finishes. Only NextSTAR™ superior pre-painted steel gives you a colour palette of 30 colours – Australis Series is the single largest colour rollout since 2013.

Due to its advanced paint technology, NextSTAR™ offers 10 year longer lasting warranty than COLORBOND®.
