

AT REVOLUTION BY DESIGN WE CONTINUE TO LEAD THE WAY IN THE PRODUCTION OF INNOVATIVE ROLL-FORMED PRODUCTS IN AUSTRALIA.

Our arsenal includes staple domestic and commercial products, but also market first profiles, including our flagship True Oak Superior Corrugated Series, versatile and stylish architectural cladding profiles Maxline and EuroPlus Series.

COLOURS AND FINISHES

Be inspired as you select from an extensive range of paint finish systems and colours from the full COLORBOND® steel range. They bring exciting choices with new warranties to the domestic, commercial and industrial market.

TRUE OAK SUPERIOR CORRUGATED SERIES COMBINES STYLE AND FUNCTIONALITY, BASED ON THE BEST CASE PROFILES FROM THE EARLY 1900'S.

It is stronger, deeper, more water efficient and simply looks better in all applications from roofing to cladding, authentic heritage restorations to cutting-edge modern designs.

Maxline

WHEN YOU NEED A STYLISH ROOFING OR WALL CLADDING PRODUCT THAT IS SLEEK WITH A CONCEALED FIX, JUST THINK MAXLINE.

Used by architects on award winning designed houses, office buildings and schools, you know you've got a real winner.

For maximum effect, think no further than Maxline.

EuroPlus SERIES

A GREAT ADDITION TO THE INNOVATIVE REVOLUTION ROOFING PRODUCT RANGE, EUROPLUS.

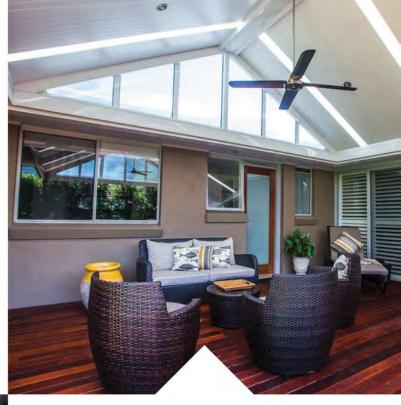

A range of versatile concealed fixed wall cladding options that offer easy solutions to difficult projects.

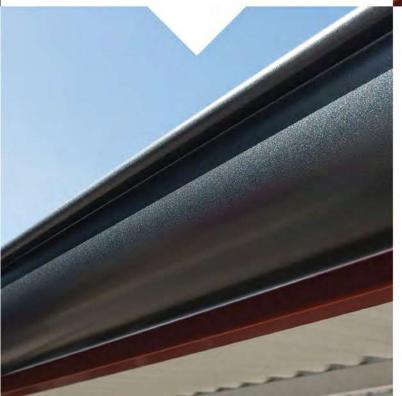

Choose from 4 different profiles to suit your exacting project requirements.

Gutters & Downpipes

COMBINE GOOD GUTTERS & DOWNPIPES WITH OUR SUPERIOR PROFILE AND YOU SAVE YOURSELF A LOT OF HASSLE IN THE FUTURE.

Consider our series of profiles to suit all home and building styles from traditional through to contemporary.

WHEN YOU CHOOSE A VICTORY PATIO, VERANDAH, CARPORT OR FENCING YOU ARE CHOOSING THE RESULT OF TWO DECADES OF RESEARCH AND DEVELOPMENT

Uniquely Australian made and Australian owned Victory products are backed up by a 30 Year Home Owner Warranty when installed by a Victory Authorised Distributor.

Rev5 Plus

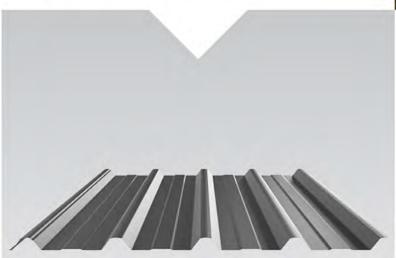

WHEN PERFORMANCE MATTERS, REV 5 PLUS IS YOUR GO TO PROFILE.

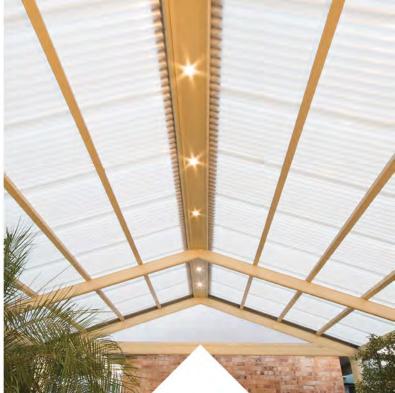

Bigger is better for commercial and industrial applications.

Being 25% stronger than standard Rev 5 this delivers a myriad of advantages for you — the larger rib provides greater water carrying capacity.

It also delivers exceptional spans for carports and verandahs.
